

# The 33<sup>rd</sup> Annual Warm Springs Person-Centered Workshop

**March 20 - 24, 2019**

**Roosevelt Warm Springs Rehabilitation Institute  
6135 Roosevelt Highway, Warm Springs, Georgia 31830**

Here participants from around the world gather in a non-structured environment, creating an experiential community infused with the necessary conditions: Empathy, Unconditional Positive Regard, and Congruence.

Since 1987, the Roosevelt Warm Springs Institute for Rehabilitation has been the rural home of this workshop.

“I would prefer my experiences in communication to have a growth-promoting effect, both on me and on the other, and I should like to avoid those communication experiences in which both I and the other person feel diminished.”  
— Carl R. Rogers, *A Way of Being*

**This year's theme:  
New Beginnings**
